

April 26, 2019 – Webinar Poll Results

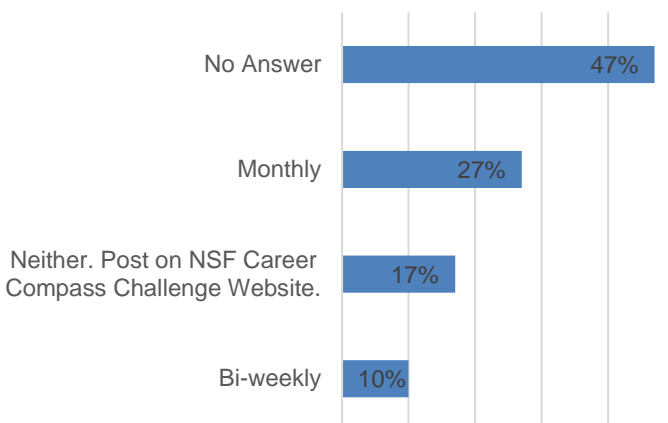

Are you interested in finding partners to participate in part 2 of the NSF Career Compass Challenge?

What other artifacts could be included as part of the submission, in addition to the weblink or access to the app in the app store?

**What additional resources
can NSF provide to help you
build a successful prototype?**

**If we were planning more
webcasts like this one, to
answer your questions, what
would be the preferred
frequency?**
